

Tournament Propositions:

The tournament will be held with respect to International Wheelchair Curling Rules written by the World curling federation and these Propositions.

Each team must be composed of players of both sexes.

Games are scheduled for 8 ends with the time limit of 120 minutes for both teams all together. End will be finished if started before the end of the time limit. The match can end with a tie. Final and bronze medal games are played without the time limit.

In the first round, teams are separated in four groups consisting of three teams, playing against each other.

According to standings after the first round, a team ranking inside the group will be announced for the second round. In the second round, teams will play according to the schedule attached to Propositions.

After the second round, a ranking of teams for 1-12 place will be announced. Third round will be held according to the schedule attached to Propositions.

Four and fifth round will be held according to the schedule attached to Propositions.

The sum of points, ends and stones is relevant for the ranking. All played rounds will be included in the final ranking. In the event of a tie, rank is decided by the mutual match. In the event of a tie of three or more teams, rank is decided by the sum of points, ends and stones, or by the sum of points, ends and stones scored „against“.

The toss for the hammer is held on the start of each game.

Time – out rules:

There will be a single one minute Time-out for each team in each game. Only coaches, or team leaders or fifth players (only one person) can join the team during the Time-out. Time-out is available solely before the delivery of the team`s own stone. It is necessary to inform the main referee about the Time-out. Time spent by Time-out is not added to time limit of 120 minutes.
